

Spring Meadow Newsletter

Summer 2015

Welcome parents, children and families to the first Spring Meadow newsletter. The purpose of the newsletter is to keep you informed with all the news from Spring Meadow as well as celebrate our successes with you. The newsletter will contain regular features which include: Headteacher's 'This Month....' paragraph which will usually be around special achievements, items from various year groups, a note from the school council (this will feature from September 2015's edition once the school council has been re-established), reminders, dates for your diary, news from the PSA (Parent and Staff Association) and any local community news or events. It is also my aim to send out a parental questionnaire in the autumn term, the results of which and any subsequent action will be reported in the newsletter.

My first half term at Spring Meadow has been a very positive one. I have enjoyed getting to know your children and many of you. I am still learning names and matching parents to children but I am sure that I will get there. Thank you to all the parents who have volunteered their time to support with school journeys, given the required high ratios for educational visits, many of these would not have been possible without your support.

Congratulations to the **BLUE** House!

Well done to all the children for a fantastic sports day and thank you to everyone that came along to watch and support the event. The children's scores were added together from the multi-sports stations and races held and as assembly was held to reveal the final positions of the coloured houses!

1st **Blue**

2nd **Green**

3rd **Yellow**

4th **Red**

Reminder...

As temperatures soar, could you please remember to apply sunscreen to your children regardless of their skin tones and send them in with sun hats. At school we will do our best to make sure they are drinking regularly and not over exposed to the sun.

I'm sure Nursery parents will all agree with me, that through all the hard work put in by the staff the Nursery Celebrations' were very special, it was a joy to see all the children so obviously enjoying themselves and we were delighted that so many of you were able join us. 

The staff and children in Year Two have similarly been working extremely hard and their production of The Pied Piper has been something to behold. It would be easy to mistake the children for being much older than their tender 6 or 7 years. The quality of their acting and the talent and confidence of the children on stage is outstanding—Well Done Year Two. 

It's with sadness that we say goodbye to three members of staff;

Mrs Webb has been a teacher at our school for the last 25 years and may possibly have taught some of you!

We would like to thank Mrs Webb for all her hard work and the dedication she has shown to teaching over the years and wish her a very happy and long retirement.

Miss Kuziw has secured a job at a school nearer to home and will be sadly missed. We wish Miss Kuziw all the very best in her future career and know her new school will benefit greatly from her enthusiasm to teach.

Mrs Woodruffe has been teaching in Year Two since January and has now secured a job in another school starting in September. We wish her all the very best in her future career.

The PSA needs you!

We will be resurrecting our PSA (Parent Staff Association) in September and would welcome any help you can give.

If you can spare some time to help organise and run PSA events and are interested in finding out more, we will be sending an invitation to a meeting out in the new academic year and would love to see you there.

May we take this opportunity to wish

You all a very Happy Summer Holiday.

For those of you moving on, we hope you will always have fond memories of your time at Spring Meadow and quickly settle into life at your new schools.

For those who are returning in September we look forward to welcoming you back on Wednesday 3rd September.
