

Week beginning 17th July

This will be our last weekly newsletter for the year. We hope you have found them useful over the last year.

English

Today was the last spelling test for this year. Thank you for all the support you have given over the last year. Over the next week we will be collecting in children's reading books. Please can you ensure that all school books are returned over the next week, including library books. Thank you.

Geography

This last week, the children have been learning about the four countries of the UK. Today the children were able to find out more about the four countries, by asking questions to different members of staff from different parts of the UK. We would like to thank Alice's mum from Rowan, who came in to talk about Scotland.

Science

During the last week, we will be focusing on science, where the children will be finding out about animal life cycles. On Monday morning, the children will be having a Forest Schools session where they will also be pond dipping in our new pond area. If the weather talks of rain for Monday, please could you send in wellington boots and rain jackets. Thank you.

Also we hope to harvest our potatoes, to be able to talk about the life cycle of a potato. If we harvest enough potatoes, we would like to cook and eat potato wedges.

Treasure Island Party

On Thursday morning, we are going to have a pirate themed party and spend the money that the children raised from selling cakes, on prizes and party snacks. Children are welcome to come dressed up as a pirate, or wear non-uniform on Thursday.

Diary Dates

Tonight!!! - St Mary's Disco – 6.15pm – 7.15pm £2.50 to pay on the door. Children must be collected by an adult.

Treasure Island performances:

Monday 17th July – 2:15pm

Tuesday 18th July – 10:00am – parents are invited to bring pre-school children to this performance

Wednesday 19th July – 2:15pm (recorded performance)

Thursday 20th July – Parents are invited to join the children for their Year 2 Leavers' Lunch.

Friday 21st July – Last day of term.

Thank you!

We would like to extend a big 'thank you' to all those parents and grandparents who have come in over the past year to volunteer as reading helpers. The time that you have spent with the children has been invaluable.

And finally.....

We are very proud of the achievements of the children this year, which is reflected in their reports which are coming home today. Yesterday we performed Treasure Island to the school, and we received so many positive comments from other members of staff. The children have worked so hard and are we hope that you will enjoy the performance too.

We hope that you have a lovely Summer holiday with your children and we wish them all the best in their new schools.

Year 2 staff.
