

Week beginning 26th June

Friday 30th June is a non-uniform day

English

We are combining science and English again this week. The children have been finding out about how exercise affects our bodies and the importance of exercise. Next week the children will be finding out about different food groups and the importance of a balanced. We will then be writing guides for pirates on how to keep healthy.

For spellings this week we are going to be continuing with words that contain silent letters.

Maths

This week in maths, we are going to work in our new classes for Year 3. The children are going to take part in an 'enterprise' project, where at the end of the week they are going to cook healthy cookies/cakes to sell at Sports Day, to raise money that the children will then decide on how they would like to spend.

Miss Cridland's group

Homework: Adding 2 and 3 digit numbers by partitioning and recombining.

Miss Kyndt and Mrs Kansu's groups:

Homework: Beginning the 3 times tables with visual prompts.

Mrs Bethke's group

Homework: Recognising odds and evens.

Foundation Subjects (taught in the afternoon)

As mentioned above, the children will be finding out about the importance of eating a balanced diet, and will then be making healthy biscuits. The children will also be continuing to make their Mexican masks using Modroc and then painting them. The children are continuing to find out about where food comes from, by monitoring the growth of our potato plants.

Preparing for Year 3

As mentioned above, the children will be working together in their new classes for our enterprise project this week. Also, on Friday the children will be going over to St Marys to have a break time, where they will be able to meet up with the Year 3 'buddies'.

Sports Day

Next week we are going to be doing two PE sessions to practise for sports day. These sessions for the whole year will be on Thursday afternoon and Friday morning. Please ensure that children have a full PE kit, including trainers for these sessions. If the children do not have a PE kit, they cannot do PE and will not be prepared for sports day. Just a reminder, that we would like children to school dressed in their PE kit on Monday 3rd July.
