

End of Spring Term 2017

Widdershins Theatre Group

English

The children thoroughly enjoyed Thursday's performance of Rapunzel from The Widdershin theatre group. It was an amazing performance that combined music, puppetry, music and drama. After the performance, the children worked on writing character descriptions about the characters from the story. **We would like to extend our thanks to the PSA who funded this amazing experience for the children.** We are sending spellings home for the children to learn over the Easter holidays. These spellings are all words that end in -le, -el, and -al endings. There will be a test on Friday 21st April. Please try to regularly hear your child read over the Easter holidays. We are sending home an Easter Reading Challenge for children to complete, where we are asking them to read 3 books over the holidays. Please note that if your child is a Free Reader, we have suggested that they choose shorter books, possibly even from our high level banded books, so that they can achieve the goal of reading 3 books. Also, they do not need to do bookmark challenges for these books.

Maths

Maths Easter homework:

Foundation Subjects (taught in the afternoon)

We are sending home the beans that we have been growing - some classes have been more successful than others! If your beans grow successfully, please take a photo to bring in and tell us about them.

Year 2 end of term production

This year, Year 2 will be performing Treasure Island in July. We will begin learning songs for this when we return after Easter and begin casting and acting after May half-term holidays. We have noticed that there is a performance of Treasure Island at The Maltings, from 1st - 5th April that you may be interested in taking your children to.
